**82**

S.B. No. 497—Vidak.

An act relating to pupil transportation.

To the Members of the California State Senate:

I am returning Senate Bill 497 without my signature.

This bill requires the Department of Education to request and post on its website specific school transportation data from local entities that provide transportation services to students.

Current law does not prohibit the Department of Education from requesting or collecting, or locals from sharing school transportation information between interested parties that find it useful to compare data.

While well intended, I am unconvinced that this voluntary data collection would produce meaningful information or is a valuable use of limited resources at the local or state level.

For these reasons, I am unable to sign this bill.

Sincerely,

Edmund G. Brown Jr.

S.B. No. 219—Liu et al.  
An act relating to prisons.

**Legislative Counsel’s Digest of Assembly Amendments**

SB 219, as it passed the Senate, required a female inmate to be released to an alternative custody program administered by the Department of Corrections and Rehabilitation within 5 business days following notice of acceptance into the program.

The Assembly amendments instead require the inmate to be released into that program within 7 business days following notice of acceptance into the program, except as necessary to comply with any release notification requirements, or if this is not possible, on the first day a contracted bed becomes available at the requested location.

**Legislative Counsel’s Digest of Assembly Amendments**

SB 379, as it passed the Senate, upon the next revision of a local hazard mitigation plan on or after January 1, 2017, required the safety element of a city or county’s general plan be reviewed and updated to address climate change adaptation, as specified. SB 379, as it passed the Senate, required a local jurisdiction that has not adopted a local hazard mitigation plan to undertake this review beginning on or after January 1, 2022.

The Assembly amendments additionally require the review to include the identification of infrastructure that may be used in adaptation projects where feasible, as specified. The Assembly amendments authorize cities or counties that have adopted a hazard mitigation plan or other climate adaptation plan or document in their general plans to use that information to comply with the requirements of the above-described provisions, as specified. The Assembly amendments instead require a local jurisdiction that has not adopted a local hazard mitigation plan to undertake the required review beginning on or before January 1, 2022.

**Legislative Counsel's Digest of Assembly Amendments**

SB 235, as it passed the Senate, amended the Pilot Program for Increased Access to Responsible Small Dollar Loans of the California Finance Lenders Law to expand the services that a finder is authorized to perform for a licensed finance lender or broker to include, among other things, disbursement of loan proceeds to, and receipt of loan payments from, the borrower. SB 235 imposed requirements on a finder who performed those services, including a requirement to deliver a receipt with specified information to borrowers if the finder receives loan payments. SB 235 also deleted the maximum finder's fee established for the pilot program and instead authorized payment of finder compensation pursuant to a schedule that is mutually agreed to by the licensee and the finder, not to exceed \$70 per loan.

The Assembly amendments, among other things, provide that the payment of finder compensation for certain services pursuant to the mutually agreed upon schedule is not to exceed \$65 per loan, plus \$2 per payment received by the finder on behalf of the licensee for the duration of the loan under specified circumstances. The Assembly amendments also require additional information to be on the receipt delivered to borrowers by finders who receive loan payments, and require the licensee to maintain specified records regarding a finder's activities to facilitate an examination of the licensee by the Commissioner of Business Oversight. The Assembly amendments also require the licensee to develop and implement policies and procedures designed to respond to questions raised by applicants and borrowers regarding their loans, including those involving finders, including completing two-way communication with an applicant before a loan is consummated. The Assembly amendments clarify that the commissioner shall determine when an application is complete, and make other technical and conforming changes.

S.B. No. 407—Morrell et al.

An act relating to Medi-Cal.

**Legislative Counsel's Digest of Assembly Amendments**

SB 407, as it passed the Senate, authorized a health care provider to employ or contract with licensed midwives for the purpose of providing comprehensive perinatal services, expanded the definition of “comprehensive perinatal provider” for specified provisions of law to include a licensed midwife, declared that the bill’s provisions shall not be construed to revise or expand the scope of practice, as defined, of licensed midwives, and required the State Department of Health Care Services to commence, no later than March 1, 2016, the revision of existing regulations as the department determines are necessary for the implementation of the bill.

The Assembly amendments delete the expansion of the definition described above and instead provide that, on the effective date of certain regulations adopted by the Medical Board of California, a licensed midwife shall be eligible to serve as a “comprehensive perinatal provider,” as defined. The Assembly amendments also make technical, nonsubstantive changes to the provisions described above.

S.B. No. 575—Liu.

An act relating to insurance.

**Legislative Counsel's Digest of Assembly Amendments**

SB 575, as it passed the Senate, required an insurer of long-term care insurance to annually notify a policyholder or certificate holder and, if elected, at least one individual designated by the policyholder or certificate holder, when a shortened benefit period nonforfeiture benefit or contingent benefit upon lapse is conferred, of (a) the availability of the shortened benefit period nonforfeiture benefit or contingent benefit upon lapse, (b) that the insured may request a statement of the current value of the benefit at any time, and (c) the name, address, and telephone number of the insurer for questions about the benefit. SB 575, as it passed the Senate, required the insurer to notify all holders of the benefit at least once every 2 years or at the time of the annual notice of the right to change, as indicated on an election form provided for that purpose, the person other than the holder of the benefit who is designated to receive that information. SB 575, as it passed the Senate, provided that if, upon proper mailing by the insurer, the policyholder or certificate holder fails to return the election form, the failure will be deemed a waiver of the right to designate additional persons to receive the notice.

The Assembly amendments delete the requirement that the insurer annually notify a policyholder or certificate holder and, if elected, at least one individual designated by the policyholder or certificate holder, that the insured may request a statement of the current value of the benefit at any time, and instead require the insurer to provide information regarding the dollar amount of the benefit calculated up to 60 days prior to the date of the annual notice. The Assembly amendments also require an insurer to send the election form to designate an individual to receive that information by July 1, 2016, for individuals who hold contingent benefits upon lapse as of January 1, 2016. The Assembly amendments also revise the provision that would deem the failure to return the election form to be a waiver, as described above, if the policyholder or certificate holder fails to return the election form within 90 days.
